D. Documentary Evidence: In addition to the Incident Report and Investigation, the DHO considered the following documents:

The damaged book (United States Code Annotated Constitution Amendment 5) was brought to the hearing as evidence. The book's cover was removed, inmate's Fernando Gomez name and number were visible on the sides of the book. There were marks on the sides of the book consistent in size and shape with the "Law Library" stamp used by the Education Department. The "Law Library" stamp had been altered by peeling off the black ink. On the book's first page (top, right side) the letters "MLC" were written, meaning "Mobile Law Cart". Two separate pages inside the book showed the "Law Library" stamp.

E. Confidential information was used by DHO in support of his findings, but was not revealed to the inmate. The confidential information was documented in a separate report. The confidential information has been (confidential informants have been) determined to be reliable because:

IV. FINDINGS OF THE DHO

A. The act was committed as charged.

B. The following act was committed: 329

C. No prohibited act was committed: Expunge according to Inmate Discipline PS.

V. SPECIFIC EVIDENCE RELIED ON TO SUPPORT FINDINGS (Physical evidence, observations, written documents, etc.)

Your inmate's due process rights were reviewed and read to you by the DHO. The DHO confirmed that you did not want a staff representative and did not want to call witnesses. You understood your due process rights and were ready to proceed with the DHO hearing.

The DHO finds that at approximately 3:00 P.M., on May 7, 2002, an inventory of your belongings showed you had altered and damaged government property valued in less than \$100. This is based on the reporting officer's account that on May 3rd, 2002, she was informed you were in the Special Housing Unit. The reporting officer called the Unit BB OIC and asked him to review your property for law library materials (photocopies and Program Statements) that you owed them (Education Dept.); to set aside any materials identified with the Law Library stamp for her review. When the reporting officer arrived to her office on May 7, 2002, at approximately 1:00 P.M., she found a bag full of legal materials with a note from Officer Massanet (BB OIC) advising the bag belonged to you. When the reporting officer reviewed the bag, she found not only some of the materials you owed, but also 4 volumes of law books that you were not authorized to have, including the United States Code Annotated Constitution Amendment 5. This book had been damaged and altered by removing the Law Library stamp and writing your name and register number. Also, the hard cover had been removed. This book has a value of \$40.75.

You denied the charges to the DHO stating you were granted an extension from the Education Department to have the books. You added the damaged book is yours, that it was mailed to you by your family, you do not remember exactly when. The DHO asked if you could provide evidence to show the book was yours. You indicated, probably not, that your family sent it long ago and probably they didn't have receipts. You insinuated during the hearing the "Law Library" stamps were put on your book by the Education Department staff to incriminate you.

The DHO decided to give greater weight to the reporting officer's account of the incident and to the evidence at hand. You altered and damaged the book United States Code Annotated Constitution Amendment 5 by: 1) removing the hard cover; 2) removing the Law Library stamp placed on the sides of the book, and; 3) writing your own name and register number. You removed the "Law Library" stamp by peeling off the black ink. Your attempt to obliterate the stamp left a mark identical in size and shape to the "Law Library" stamp used by the Education Department to identify the law library books. Also, staff had conspicuously placed the "Law Library" stamp inside two separate pages of the book further proving the book does not belong to you. This book belongs to the mobile library cart as evidenced by the letters "MLC" on the first page. You implied wrong doing from the Education Department staff in order to incriminate you. Be reminded that as a professional, the reporting officer is legally and morally obligated to provide truthful statements.

Based on the greater weight of the evidence, the DHO finds that you violated code 329, Destroying or damaging property valued in less than \$100. The DHO expunged the charge of Code 305, Possession of anything not authorized.

VI. SANCTION OR ACTION TAKEN

Monetary Restitution: \$40.75

VII. REASON FOR SANCTION OR ACTION TAKEN

estroying or damaging government shows disregard for the rules and regulations of the institution. The sanction of monetary restitution for \$40.75 is imposed to show you that inmates will be held accountable for destroyed or damaged government property.

VIII. APPEAL RIGHTS: The inmate has been advised of the findings, specific evidence relied on, action and reasons for the action. The inmate has been advised of his right to appeal this action within 20 calendar days under the Administrative Remedy Procedure. A copy of this report has been given to the inmate.
